FOREVER – TIME – DOOR – LIFE – YOU

## AGAIN

I been searching for \_\_\_\_\_  
I heard a cry within my soul  
I never had a yearning quite like this before  
Now that you are walking right through my \_\_\_\_\_

All of my \_\_\_\_\_  
Where have you \_\_\_\_\_  
I wonder if I'll ever see you again  
And if that day comes  
I know we could win  
I wonder if I'll ever see you again

A sacred gift of \_\_\_\_\_  
For better worse, wherever  
And I would \_\_\_\_\_ let somebody break  
you down  
Until you cried, never  
All of my life  
Where \_\_\_\_\_ you been

I wonder if I'll ever see you again  
And if that day comes  
I know we could win  
I wonder if I'll ever see you again  
At every \_\_\_\_\_ I've always known  
That you were there, upon your throne  
A lonely queen without her king  
I longed for you, my love \_\_\_\_\_  
All of my life  
Where have you been  
I wonder if I'll ever see you again  
And if that day \_\_\_\_\_  
I know we could win  
I wonder if I'll ever see you again
