

Fill in the blanks

Memories follow me left and _____
I can feel you over here, I can feel you over _____
You take up every corner of my _____ (what you gon' do now?)
Ever since the day you went _____ (no, I don't know how)
How to erase your body from out my _____ (what you gon' do now?)
Maybe I should just focus on _____ instead (but all I think about)
Are the nights we were tangled up in your _____
Oh no (oh no) 2x
You're goin' 'round in circles
Got you stuck up in my _____, yeah

Chorus - Put in order

- () Your love stays with me day and night
- (2) I can feel you over here, I can feel you over here
- () You take up every corner of my mind
- () I can feel you over here, I can feel you over here
- (6) You take up every corner of my mind (what you gon' do now?)
- () Memories follow me left and right

Correct the mistakes

Ever since the night you went away (someone tell me how)
How many more do I gotta drink for the pain (what you gon' do now?)
You done things to me that I just can't forget (now all I think about)
Are the nights we was tangled up in your bed
Oh no (oh no) 2x
You're going 'round in squares
Got you stuck up in my mind, yeah

Repeat Chorus

Did you _____ you're the one that got away?
And even now, baby, I'm still not _____
Did you know that my dreams, they're all the _____
Every time I close my _____?

Memories follow me _____ and right
I can feel you over here, I can feel you _____ here
You take up every corner of _____ mind (what you gon' do now?)
Your love stays with me day and _____
I can feel you over here, I _____ feel you over here
You take up every corner of my mind (what you gon' do _____?)
(Whoa)
I can feel you over here, I can _____ you over here
You take up every _____ of my mind (what you gon' do now?)
