Best Friends

Mary and Alice are best friends. Mary always goes to Alice's house on Saturdays. They ride bikes and play with Alice's toys. Today, they're playing with Alice's kites in the yard.

"I don't want to play with the kites," Mary says.

"OK. What do you want to play with?" asks Alice.

"I don't know. What about your dinosaurs?"

"Hmm. No, thanks. Do you want to ride my scooter?"

"Yes! I never do that. Let's go!"

"I ride it every day. You try!"

Mary rides the scooter. "Wow! You're very good!" says Alice, laughing.
