

C Write, say, and connect in A-B-C order.

A central illustration of a pond with various animals and plants. A path is drawn through the scene, starting at an ant (A), going to a bird (B), then a cat (C), a duck (D), an elephant (E), and finally a fish (F). In the center, there is a box with the letters 'Aa' on a three-line grid. Surrounding the pond are six empty three-line grids for writing practice, each with a corresponding letter: A, B, C, D, E, and F.

D Look and write.
