

Memories follow me left and _____
I can feel you over here, I can feel you over _____
You take up every corner of my _____ (what you gon' do now?)
Ever since the _____ you went away (no, I don't know how)
How to erase your body from out my _____ (what you gon' do now?)
Maybe I should just focus on _____ instead (but all I think about)
Are the nights we were tangled up in your _____
Oh no (oh no) 2x
You're goin' 'round in _____
Got you stuck up in my head, yeah

Chorus - Put in order

() Your love stays with me day and night
(2) I can feel you over here, I can feel you over here
() You take up every corner of my mind
() I can feel you over here, I can feel you over here
(6) You take up every corner of my mind (what you gon' do now?)
() Memories follow me left and right

Ever since the day _____ went away (someone tell me how)
How _____ more do I gotta drink for the pain (what you gon' do now?)
You did things to me that I just can't _____ (now all I think about)
All the nights we were tangled up in your _____
Oh no (oh no) 2x
You're going 'round in _____
Got you stuck up in my _____, yeah

Repeat Chorus

Did you _____ you're the one that got away?
And even now, baby, I'm still not _____
Did you know that my dreams, they're all the _____
Every time I close my _____?
Memories follow me _____ and right
I can feel you over here, I can feel you _____ here
You take up every corner of _____ mind (what you gon' do now?)
Your love stays with me day and _____
I can feel you over here, I _____ feel you over here
You take up every corner of my mind (what you gon' do _____?)
(Whoa)
I can feel you over here, I can _____ you over here
You take up every _____ of my mind (what you gon' do now?)
