Dylan has got 25 hours of classes a week. _____

A day in the life of a child actor

Dylan Roberts is 14, and he's a child actor. He makes films and doesn't go to school. He always has classes with special teachers called film tutors. Child actors usually have 15 hours of classes a week (schools have 25), but it isn't easy! Dylan often has lots of work to do.

Dylan talks about his typical day:

'I get up at six in the morning and get dressed. At 6.15, a car takes me to filming. I have breakfast at work and then I practise the day's filming for an hour. At 8.00, they do my hair and make-up and I get dressed in my film clothes. Filming starts at 9.00. Then, at 11.00, I have a break for half an hour. After that, I go to the tutor's room for classes. I don't have any homework. At 6.00 in the evening, I go home or to a hotel. I have a shower, have dinner, read my part of the film for tomorrow, and go to bed. It's a busy day!'
