# CHOOSING YOUR CAREER

### 1-READ.

How are you going to choose your future career? Everyone wants to do something interesting. So why not make a career of your hobby? Read about three teens with plans to do exactly that.

'I love football, and I want to be a referee. It's outdoors, and it isn't repetitive, so it's perfect. I don't want to continue studying. After school, I'm going to get a job and take the referee exams in my free time. I already referee children's matches at my football club. This summer, I'm going to do a three week referee course.' *Juan, 16, Spain*

'After university, I want to be a journalist, so I'm going to study journalism at university. 'It isn't going to be easy, but I want to do something interesting, travel a bit, and meet new people. 'And I don't want to sit in an office all day. I already write articles for our online school magazine, and next year I'm going to join a writers' club.' *Amy, 15, UK*

'I love music, so I'm going to be a sound engineer and work in music studios and at concerts. It's perfect for me because I play the guitar, and I like electronic things. I'm a night person, and I work well with others. This summer, I'm going work at a music festival. When I leave school, I hope to study at Dublin University.' *Carl, 17, Ireland*
