Change your life with yoga

Yoga is a great way to relax if you're feeling stressed, so why not try a class near you? Visit some of the studios in your area and choose the one which you like best. The teacher [1] *will want* to talk to you when you sign up for a class. He or she will ask you some questions about your general health for the and fitness before you [2] **go/ will go** first time. Find out if the studio has equipment. You might have to take your own if the studio [3] **doesn't have/ won't have** any. On the first day, the instructor [4] **tell/ will tell** you where to stand when you enter the studio. Studios have their own rules. but you will probably need to turn off your mobile phone before the class [5] **starts/ will start** Listen to the instructor and watch what the others are doing. The instructor will only come and help you if he or she [6] **sees/ will see** that you are having problems. The first class is usually free and you won't have to go back if you [7] **won't like/ don't like** it. But most people love yoga. You'll feel very relaxed after the class [8] **finishes/ will finish** All you need to do then is to go home, have a nice hot shower and change into some comfortable clothes for the rest of the day.
