The West Philadelphia School of the Future was opened in 2006. It's difficult to believe, but students there don't need any books. Instead, students use _____⁽¹⁾. Mathematics is taught with One-Note, a note-taking app, and teachers use computerized smart boards instead of traditional _____⁽²⁾. Students use digital _____⁽³⁾ that open with the flash of an ID card. The lessons begin at 9.00 a. m. and end at 4.00 p. m. to be like a normal workday instead of a typical school day.

The school soon became successful. Students show good results in _____⁽⁴⁾, reading and sciences. As they can use Microsoft Office and other programs very well, they have higher chances to find a good job after finishing school.
