COLOUR IDIOM SONG

1) - Complete the gaps using the words in the box:

blues - back - red - giving - leaving - dark

I saw _____ coz she'd left me in the _____.

She'd left me in the dark that we were in the red,

And being in the red was _____ me the _____.

2) - Fill in the gaps with colours:

Then out of the _____ comes a _____ opportunity -

A _____ opportunity for the _____ sheep of the family.

A _____sheep born with a _____ spoon in his mouth.

3) - Choose the correct option:

She *is / was* tickled pink over this rather *grey/ green* area,

And you'd be green with envy if we *showed/shined* our true colours.
