

## COLOUR IDIOM SONG

1) - Complete the gaps using the words in the box:

blues - back - red - giving - leaving - dark

I saw \_\_\_\_\_ coz she'd left me in the \_\_\_\_\_.

She'd left me in the dark that we were in the red,

And being in the red was \_\_\_\_\_ me the \_\_\_\_\_.

2) - Fill in the gaps with colours:

Then out of the \_\_\_\_\_ comes a \_\_\_\_\_ opportunity -

A \_\_\_\_\_ opportunity for the \_\_\_\_\_ sheep of the family.

A \_\_\_\_\_ sheep born with a \_\_\_\_\_ spoon in his mouth.

3) - Choose the correct option:

She *is / was* tickled pink over this rather *grey / green* area,

And you'd be green with envy if we *showed / shined* our

true colours.
