

Good morning

Good evening, good evening,
 See, the sun is shining
 Homework and chat with James
 We meet at the week-end
 And watch the bugs don't bite
 After school, after school
 Boys and girls are dining
 We're all going to school

Under the stars and moonlight
 Good afternoon my friend
 Good morning, good morning
 Learning things is so cool
 Goodnight my friend, sleep tight
 TV, computer games
 We go to the swimming pool
 Good night, good night
