

The Reasons Why People Travel

Activity/Assignment - Create a scenario

Using four (4) of the reasons for travel that we just discussed, think of why people would choose to come to The Bahamas *OR* travel to and from different islands in The Bahamas for these reasons.

Produce four (4) scenarios, based on the reason for travel listed. In the spaces below each reason provided, write:

- a) Where they are coming from
- b) Where a visitor might travel to
- c) In addition, name at least one activity they would participate in while here.

Additionally, after producing each scenario, list:

The Reason for travel: _____

The type of tourist they are: _____

The classification they fall under: _____

Example of a created scenario:

Jeff and Lisa live in Nassau and decided to travel to Bimini to participate in a Blue marlin fishing tournament. They stayed in Bimini for three days before returning home.

The Reason for travel is: **Sports AND/OR Leisure/Recreational**

The type of tourist they are: **Domestic tourists**

The classification they fall under: **Stopover/Overnight Tourist**

(1) _____

The Reason for travel: _____

The type of tourist they are: _____

The classification they fall under: _____

(2) _____

The Reason for travel: _____

The type of tourist they are: _____

The classification they fall under: _____

(3) _____

The Reason for travel: _____

The type of tourist they are: _____

The classification they fall under: _____

(4) _____

The Reason for travel: _____

The type of tourist they are: _____

The classification they fall under: _____
