 **TIPS FOR**

Improving Your Interview

Congratulations! You have a job interview. Here's how to do your best:

- ☐ **Prepare** Before the interview, read the job description and think about how your skills, abilities, and experience match the requirements of the position. Decide how you'll explain that information.
- ☐ **Dress the part** Although employees of many companies wear casual clothes to work, you should dress formally for an interview. Always wear a suit to look professional.
- ☐ **Arrive on time** Make sure to arrive on time or a few minutes early. Most interviewers agree: There's no excuse for being late.
- ☐ **Don't be too friendly** An interview is a professional meeting. You should be energetic and enthusiastic, but not informal.
- ☐ **Use good communication skills** Listen to questions carefully. Before you give your answer, make sure that it's a correct response to the question.
- ☐ **Ask questions** It's important to ask questions in an interview. It shows your interest in the position and in the company. Listen to what is said during the interview and ask for additional information later.
- ☐ **Maintain the three Cs** It's OK to feel nervous—inside. But on the outside, you need to stay Cool, Calm, and Confident. Remember, you can do the job; make sure the interviewer knows it, too.

- | | True | False |
|---|------|-------|
| 41. You should become familiar with the job before your interview. | () | () |
