After she walked home from school, Gracie wanted her favorite food, chocolate chip cookies. She mixed all of the ingredients together, put the cookies on the sheet, and put the sheet in the oven at 3:30. After she waited 20 minutes, she took them out of the oven. They were hot! She put a whole cookie in her mouth. She quickly spit it out because it was salty. She used salt instead of sugar!

Who made cookies?

Where did she put the cookies?

When did she put the sheet in the oven?

What is Gracie's favorite food?
