

1. John Pemberton

You (try) to find a cure for headaches when
you (mix) wine and cocoa.

2. Shen Nong

Your servants (boil) water when some leaves
..... (fall) in the pot.

3. Alexander Fleming

You (grow) bacteria in your lab when you
..... (see) some mould in the cup.

4. John Walker

You (stir) chemicals with a stick when you (notice)
a lump at the end of it.
