Yesterday Eli _____ up at 6.00 am and _____ the kids up. She made pancakes for breakfast and her husband _____ the children to school. After that, she did all the chores: she cleaned the bathroom, _____ the laundry, washed the dishes, vacuum the floors, _____ the beds so she was very tired. She relaxed for a while: she _____ a book.

But at 3.00 she went to pick up the kids from school. On the way to the swimming pool, they _____ ice-cream. The children swam for an hour, and Eli _____ with the other mums. When they arrived home, she and her husband cooked dinner. After dinner, she helped the children with their homework. Finally, she put them to bed. She was exhausted. She _____ straight to bed. She didn't _____ TV. She didn't have a shower. She didn't listen to music.
