MY FAVORITE INVENTION

@Mrs. Carhuavilca

Hi! My name is Nicole Ponce and I am from Lima, Peru. My favorite invention is a technological device. It is my cellphone. I like it because I can phone people, send text messages and e-mails, use it as a camera, voice recorder and to play games. I also like it, because I use it to search the internet, listen to music and watch TV. And the best of all I can take it with me everywhere I go. It is awesome!

I love my cellphone because it is really useful for me, but my teachers say that if I don't use it well, it turns really unsafe.

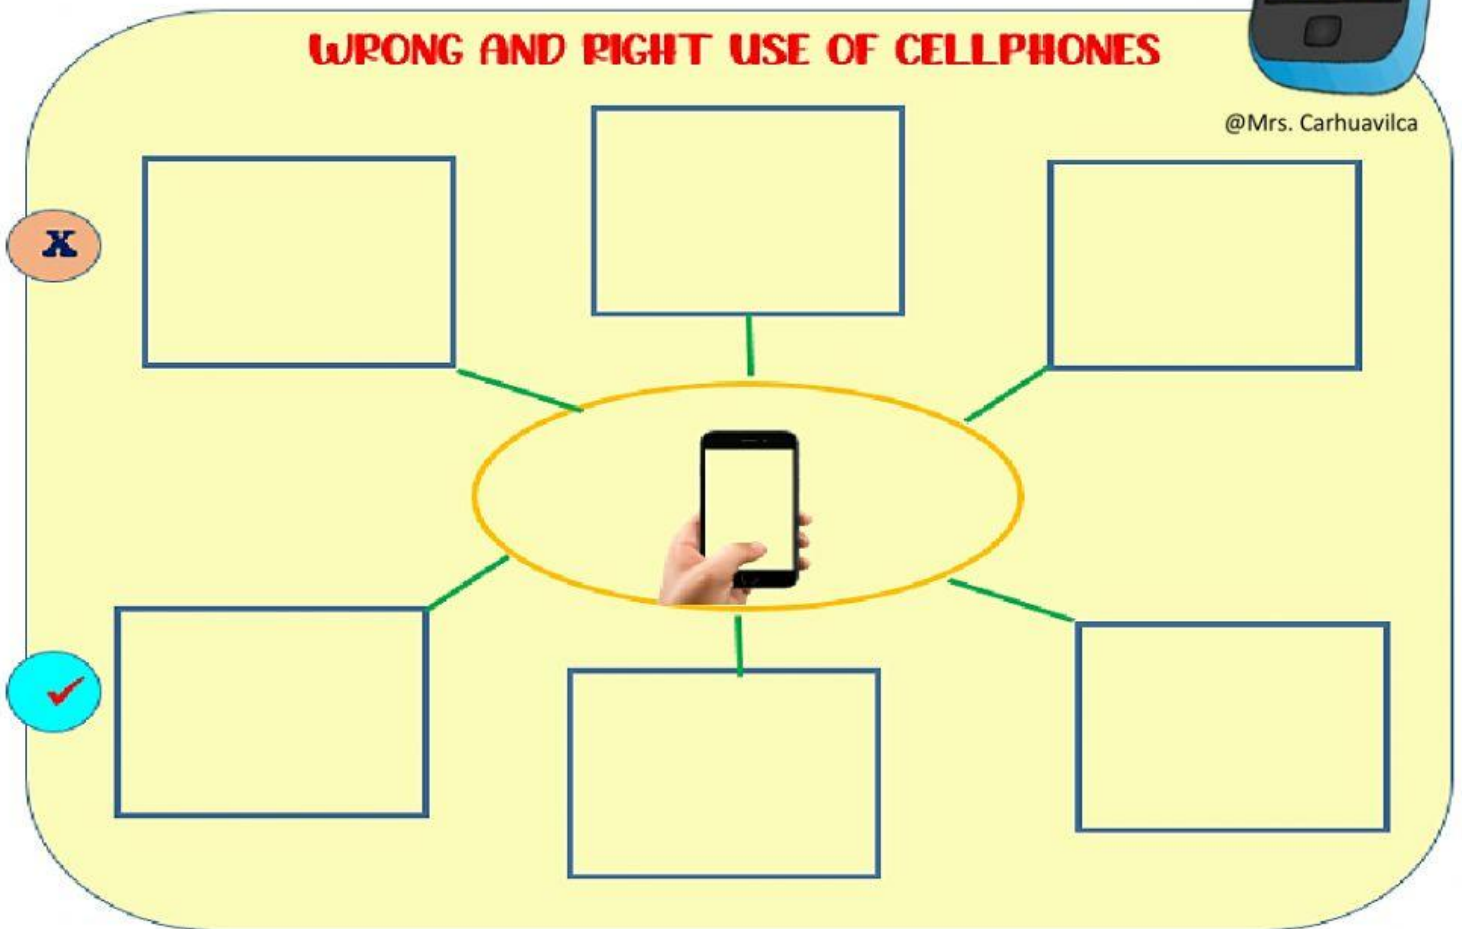

Now, I have to make a Graphic organizer about **Wrong and right use of Cellphones** as a homework. It is a good opportunity for me to self-reflect about it.

What about you? What is your favorite invention?

RETO:
Elaborar un organizador visual sobre el uso correcto e incorrecto del celular.
