WRITING PRACTICE: Acel 1 – Review

Read Melissa's message and answer to her:

-Paragraph 1: About you and what you like doing.

-Paragraph 2: write about your neighbor.

-Paragraph 3: What you are doing this month.

Dear friend:

How are you doing these days? Hope you are great! I'm Melissa. I'm from New York and I'm a secretary. I love doing many things. I love reading and listening to music. I also like watching series but I hate watching TV.

I work from home long hours every day but I have a big problem. I have very noisy neighbors. They usually have parties, dance and play too loud music. So, it's almost impossible to finish reading my favorite books! What about your neighbors?

Luckily, this month I'm doing something different! I'm visiting my sister. She lives in Mexico! I'm travelling to Cancún next week. We are going to the beach and we are sightseeing next Saturday. I'm so excited! What are you doing this month?

Love, Melissa
