

Identify the topic of paragraph 2-4!

Kuta Beach

Kuta Beach is a beautiful beach in Indonesia. It is located in the western part of Bali. Access to Kuta Beach is easy and not far from Ngurah Rai International Airport.

Kuta beach has white sand, which is really smooth. Children love making sandcastles there. In the morning, people like to walk on the sand while enjoying the sunrise. In the afternoon, people who walk along the beach can enjoy the beautiful orange sunset.

Kuta Beach also has small waves suitable for various activities. For visitors who like to surf, surfboard rentals are available around Kuta Beach. For beginners who want to just play in the water, there is no need to worry about the waves they are not too high. Besides surfing and playing in the water, visitors can do sunbathing, play volleyball, or play kites.

There are a lot of facilities near Kuta Beach, such as hotels, homestays, and shopping centers. Visitors can also enjoy Balinese food at the restaurants around the beach.
