

Read the statement below and answer TRUE (T) or FALSE (F)

Airport Link:

The Suvarnabhumi Airport Rail Link services are comprised of 2 lines, non-stop Express services, and City Train services. Non-stop Express services start at Suvarnabhumi Airport and terminate at Makkasan Station. The journey takes about 15 minutes and runs every 30 minutes. City Train or Commuter services run between Suvarnabhumi Airport, stop at Lat Krabang, Ban Thap Chang, Hua Mak, Makkasan, Ratchaprarop and Phaya Thai. The journey takes approximately 30 minutes and runs every 15 minutes. Facilitating the tourists and commuters to travel to other parts of Bangkok, both lines have interchange station at Makkasan Station, for MRT (Underground train) at Phetchaburi Station. City Train line is linked at Phaya Thai station for BTS (Skytrain) Phaya Thai Station.
