C  **CD1.30** Listen to this extract from part three and replace the eight mistakes in the transcript below with what Sue Leeson actually says.

We have many successful product areas. One of our most successful is beauty. Beauty works so well on TV for two reasons. First of all, each beauty brand has a terrific story behind it, and we can really bring life to the brand and to the sales pitch through telling that story in a very attractive way.

And secondly, each product is very easy to present. So if it's a skincare product, like a moisturiser, we can show how to apply it, the quantity to apply in order to give the best effects. Finally, we add another layer to our product presentation in that we always invite the expert behind that product to tell the story.
