LISTENING TEST FOR THE SEVENTH LEVEL STUDENTS (First Test)

PART A – In part A, you will hear short conversations between two people. After each conversation, you will hear a question about the conversation. After you hear a question, read the four possible answers in your test sheet and choose the best answer.

1. What does the woman imply?

- a) She is interested in what the man has to say.
- b) She is disappointed with the kind of news the man reads.
- c) She will read the article when the man sends it to her.
- d) She has already read the article he suggested.

2. What can be inferred from the conversation?

- a) The woman is jealous of his success.
- b) The woman thinks he is playing a sport.
- c) The woman is a Yale's student.
- d) The man is sad because he will study at Yale.

3. What will the man probably do?

- a) He will buy a big TV to watch the games.
- b) He will watch the games at her house.
- c) He will travel to Greece to watch the games.
- d) He will not watch the games.

4. What does the woman imply?

- a) She will keep the man's secret.
- b) She is also a professor at Harvard.
- c) She is jealous of the man's accomplishment.
- d) She is not excited about the news.

PART B – Now, you will hear a short talk. After the talk, you will hear four questions. After you hear a question, read the four possible answers in your test sheet and choose the best answer.

1. Why is Craig Smith qualified to give information on the Pyramids?

- a) Because he is Egyptian.
- b) Because he works in the Pentagon.
- c) Because he is a mechanical engineer.
- d) Because he has worked in difficult famous projects

2. How big was Khufu's pyramid?

- a) 6 football fields
- b) 9 football fields
- c) 11 football fields
- d) 13 football fields

3. The Egyptians were forced to work in the construction of the Pyramids.

- a) True
- b) False
- c) Not mentioned

4. What can be inferred from the archaeological findings at the Pyramids?

- a) Women were not involved in the construction.
- b) People were forced to work in the Pyramids.
- c) There was a worker's cemetery near the site.
- d) The place is not considered sacred by them.

"Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence."
(Helen Keller)
