CAN'T TAKE MY EYES OFF OF YOU.

Listen to the song and choose the correct word.

You're just too **God/good** to be true.
Can't take my **eyes/ice** off of you.
You'd be like **heavy/heaven** to touch.
I wanna **hole/hold** you so much.
At long last love has arrived.
And I **thank/tank** God I'm alive.
You're just **two/too** good to be true.
Can't take my eyes off of you.

Pardon the way that I **stay/stare**.
There's nothing else to compare.
The **site/sight** of you leaves me weak/week.
There are no words left to speak.
But if you **fill/feel** like I **feel/fill**.
Please let me know that it's real.
You're just too **God/good** to be true.
Can't take my eyes off of you.

I love you baby, and if it's **quiet/quite** all right,
I need you baby to **warn/warm** a lonely night.
I love you baby.
Trust in **my/me** when I say:

Oh pretty baby, don't bring me **dawn/down**, I pray.
Oh pretty baby, now that I **found/fund** you, stay.
And let me love you, baby. Let me love you ...

CHORUS

I love you baby, and if it's **quiet/quite** all right,
I need you baby to **warn/warm** a lonely night.
I love you baby.
Trust in **my/me** when I say:

Oh pretty baby, and if it's **quiet/quite** all right,
I need you baby to **warn/warm** a lonely night.
I love you baby.
Trust in **my/me** when I say:

Oh pretty baby, and if it's **quiet/quite** all right...
