smart

Read the text. Choose the right words and write them on the lines.

Villages and Cities

Example

1

In the countryside, people livein..... small villages with farms and fields all around. There are not many stores to shopping in but farmers sell food in village markets. Many people in villages live in houses gardens. They can grow flowers or food there. Villages are nice places to live but they can be boring.

2

3

In cities, many people live in apartments. An apartment is a home on one floor of a big building. In buildings, there are apartments on other floors above and below. Apartments do not have big gardens but some have balconies.

4

5

There are many places to go cities. There are shopping centers with stores for shopping in and also cinemas for watching movies. Life in the city is exciting it can be noisy.
