

1. I've got toothache.

You *might* / *should* go to the dentist!

2. Chris has fallen off his motorbike and now his arm hurts.

It *might* / *should* be broken so he *might not* / *shouldn't* move.

3. Emma fell over when she was running and has hurt her ankle.

I think she *might* / *should* put a bandage on it.

4. I've got a headache.

You *might* / *should* lie down in your bedroom and take this medicine.

5. Can you help me? I've cut my hand on a rock.

There is a lot of blood so you *might* / *should* see a doctor.

6. Lucy is very hot.

She *might not* / *shouldn't* go to school today because she *might* / *should* have a temperature.

7. I'm really tired and I don't feel well.

You *might* / *should* go to bed. You will feel **better** tomorrow.

8. Mum, I feel sick. My stomach hurts.

You *might not* / *shouldn't* eat any more sweets, Jeremy. And take some medicine.
