Hi, Rachel!

I'm having a great time in Ecuador with my family. We're in Quito right now. It's the capital of Ecuador. The city is big, and there's a lot to do. It's warm in the day and cool at night now. It sometimes rains a lot in Quito, but it's not the rainy season now. We're walking around the city a lot.

The weather is really different in other parts of Ecuador. In the town of Otavallo, the weather is cool all day and pretty cold at night. There's a famous market in Otavallo with many handmade clothes. We went to Otavallo on Monday. We got beautiful sweaters at the market to wear at night!

There are a lot of beaches in Ecuador. The beaches are usually sunny and very hot. We went to a beach in Muisne on Wednesday and had a great time! It was sunny and hot!

Cotopaxi National Park is close to Quito. The park is very big, and it has a large volcano in it. The volcano is also called Cotopaxi. It snows quite a bit on Cotopaxi, and it's extremely cold and snowy at the top. You can walk to the top. The kids can't do it, but Helena and I would like to walk up there this weekend.

How are you? Say hi to Mike and the kids.

Your friend,
Martin
