It was a very special day because it was my birthday, so my friends and I decided to go to the theatre to see a play called *The Blue Room*. I wanted to see it because my favourite actress, Nicole Kidman, was in it. We sat in a box and had a very good view. The play was really good and Nicole Kidman was wonderful. When the play finished we went for a meal in a Japanese restaurant near the theatre. There were lots of people, but the food was great. We had sushi and salad – it was very nice. After the meal my friends gave me presents and the whole restaurant sang happy birthday! After we left the restaurant we walked past the theatre again – and there was Nicole Kidman! I went over and said hello and she was really friendly to me. We talked for about five minutes and then my friends took some photos of me and Nicole together. When I got home I emailed my friends in Japan and told them about my birthday. I also sent them the photos of me and Nicole! It really was a night to remember.

2. The writer liked the play.
3. The restaurant was empty.
