City life reveals modernity and pride of rich and lucrative amenities. There is usually an immense attraction and unique glamor in the city that attracts people from remote and underdeveloped localities. The comfortable life, cultural uniqueness, different commercial activities and economic advantages are for sure a feel of new life and modernity as well as constant aspiration to have good life hence attracts people of all classes to migrate to cities.

The city makes dreams achievable and opportunities realizable. One could benefit from the wide array of services offered by the urban life which could be education, health, and administration. The abundance of companies and factories found in cities creates a myriad of well-paying job opportunities, whether part-time or full-time. Unlike the quietness of the rural areas, entertainment is another option that the city puts at our disposal. Through its numerous clubs, resorts, gardens, and green parks, one could get the chance to practice hobbies such as sport or reading, meet friends and colleagues, and have fun in a stress-free space.
