The Wind and the Sun

One day the  and the  are in the  sky. The  says: "Hello,  . How  you?" The says: "I   fine, thank you." Then the says: "I am very  ," and the says: "Yes,  but I am stronger." The says: "No,  " and the says: "Look at that  . Let's see who can take off his  . Start!" So the wind blows and blows  and it's very  and  but he can't take off the man's  . At last the  says: "Let's see what you can do!" The sun  shines and shines and it's very  and  . The  takes off his  . Then the says: "Oh  ! You really are the stronger! "
