

II. READING

TASK 1 Read the passage. Circle the best answer A, B or C to each of the questions.

A library is an important part of a school. It gives the students and teachers a good place where **they** can focus on their study and work. They can come there to borrow so many kinds of books they do not have at home. At break time, they may enjoy reading some books there like comic books or adventure stories. They can also use computers to do online searching. There are some small rooms for group work as well. A teacher often uses this room to give tutoring or help with some group work. One disadvantage is that the people cannot always stay late or come there in the evening because not every library is open then. Everyone can learn and improve their knowledge day by day there.

1. What is the passage mainly about?
 - A. The benefits of school equipment
 - B. The benefits of using computers
 - C. The benefits of the library
2. What does the word **they** in line 2 mean?
 - A. the students
 - B. the teachers
 - C. the students and teachers
3. What can a student borrow at a library?
 - A. A good fashion magazine
 - B. A science book or a story book

- C. A modern computer
- 4. Why CANNOT a teacher come to a library at 7 p.m.?
 - A. Because it is cleaned and repaired.
 - B. Because it is closed.
 - C. Because the students learn there.
- 5. When can the students and teachers come to the library?
 - A. At break time
 - B. During their class time
 - C. After school

TASK 2 **Complete the reading passage. Write ONE suitable word in each blank.**

This is our new school for secondary (1) _____. There are totally sixty classrooms and five functional rooms. The classrooms are spacious with glass windows. The teachers can use the projector (2) _____ the big screen in the classroom for their lessons. Besides, there are three normal labs and a computer lab. We have fifty computers in the (3) _____.
