My School

My name is *Anna*. I'm *12* years old. I'm in the sixth form.

I study at school number 67 in Zaporizhzhia. My school is the best. My school is a three-floors building. Pupils of primary school study on the ground floor.

There are two gyms in our school. We celebrate holidays in the assembly hall. All classrooms of our school are light and clean. There are new computers in the computer rooms.

We study lots of subjects at school, such as *Maths, Geography, Biology* and many others. I like *History* most. Now we have distance lessons.

Teachers who work in our school are very good. Their lessons are very interesting. Our form-teacher's name is *Viktoriia*. She is a teacher of *English*. Thank to her our class is united and friendly.

During summer holidays I miss my school. I like my school very much.
