

Patrice

Oops! Too Many Charges

Patrice must change how she spends her money. Instead of just using her credit card for emergencies, Patrice bought clothes, lattes, meals in restaurants, and movie tickets with it. She has to budget \$10.00 a week to pay this bill. To save money Patrice stopped buying lattes on her way to work. She brings a thermos of coffee instead.

No More Lattes

				
Monday	Tuesday	Wednesday	Thursday	Friday
\$3.75	\$3.75	\$3.75	\$3.75	\$3.75

Answer
