Text A

Hi Anna!

There's an athletics tournament next month. It would be so cool to go together! It won't be like sports day at school. There will be professional athletes and they might break some records. Also the TV cameras will be there, so we might be on TV! Let me know.

Suze

Hi Paul,

I've got two tickets for the match on Wednesday. It won't be on TV, so this is our only chance to watch the game. I think our team will win because they haven't lost a match since January! We'll leave at 7 pm so we'll get back late. We've got school the next day, but I'm sure it won't be a problem. Are you interested?

Brian

Text B

Football supporters are calling for the use of video technology after a referee made a terrible mistake in a recent game. The match was nearly over when the referee gave a penalty, and the fans were angry because they believed that the wrong team won.

Text C

The long jump world record

When an athlete breaks a world record, we know that he or she will probably jump a little further or run a little faster. But in the 1968 Olympics, Bob Beamon broke the previous long jump record by an incredible 55 cm! His world record of 8.90 metres stood for 22 years, until Mike Powell jumped 8.95 metres at the World Athletics Championship. However, nobody has ever jumped further than Beamon during the Olympic Games.

Text D
