

What is wrong in the picture?

In this picture, many things are very, very strange! You do not see these things in normal life! Have a good look and decide if each sentence is 'OK' or 'wrong'. By the way, you also have to add *is* or *are*, or *put the verb in brackets into the present continuous tense*.

So, here we are. We are in the library. It is afternoon. Let's have a look and see what is going on in this library! *I don't go to any libraries like this one! Do you?*
