

## SCIENCE YEAR 4

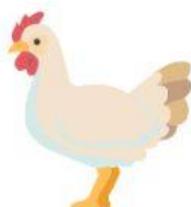

### (Unit 3: SPECIFIC CHARACTERISTICS OF VERTEBRATES)

Table below shows the classification of vertebrates .Fill in the blanks with the correct specific characteristics For mammals, reptiles, amphibians, birds and fish.

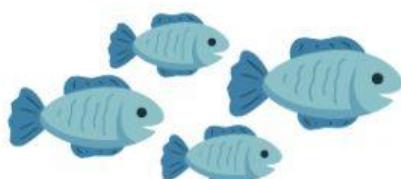

**Mammals**

- I) Breathe through
- II) Reproduce by
- III) Body covered with
- IV) Live on

**Birds**

- I) Breathe through
- II) Reproduce by
- III) Body covered with
- IV) Live on

**Fish**

- I) Breathe through
- II) Reproduce by
- III) Body covered with
- IV) Live on

**Reptiles**

- I) Breathe through
- II) Reproduce by
- III) Body covered with
- IV) Live on

**Amphibians**

- I) Breathe through
- II) Reproduce by
- III) Body covered with
- IV) Live on
