

Grammar

Simple Past: Irregular Verbs

Simple past irregular verbs do not end in *-d* or *-ed*. Here are some examples:

become →

begin →

choose →

give →

go →

have →

rise →

sing →

take →

Simple present

Tourists often **take** pictures.

Simple past

We **took** pictures in Hawaii last year.

For negative statements, use *did + not* + the base form of a verb.

Affirmative past

We **had** fun yesterday.

Negative past

We **did not** have fun yesterday.

→ **didn't**

To make *Yes/No questions*, begin the question with *Did* + subject + the base form of a verb.

Did the lava **begin** to flow this morning? Yes, it **did**. OR No, it **didn't**.

To make *Wh- questions*, begin the question with a question word such as *When* + *did* + the base form of a verb.

When **did** the lava **begin** to flow? It **began** to flow this morning.

Don't use *did* if *Who* is the subject of the question.

Who **saw** the volcano erupt? We all **saw** the volcano erupt.

Practice A

Complete the sentences with the irregular past form of the verb in parentheses.

1. The tourists _____ during the boat tour yesterday. (sing)
