Hello! My name's Lindsay and I live in Birmingham, England. I'm 9 years old and I live in a big house with my family. I'm a student but my mom, Pat, is a cook at a very famous restaurant in the city. She loves cooking very much! She likes vegetables, fruits and soup but she doesn't like meat or burgers. My mom is a very healthy person.

I also have a sister and a brother. They're Jasmine and Peter and they're twins. They love playing sports. Their favourite sports are football, volleyball and tennis but I like swimming. Peter plays football every Monday and Wednesday at 6 o'clock p.m.

Our favourite foods are yoghurt, cheese and sandwiches. Our mom makes delicious sandwiches! She prepares them with lettuce, carrots, tomatoes, cheese, ham, bread and vegetables. We really love sandwiches!
