

GRAMMAR EXAM

UNIT 7

1° Circle the correct option in each sentence.

1. The cake normally takes 1 hour to bake in the oven, but it looks like it has **already / yet** finished baking. If I leave it in any longer, it's going to burn!
2. My sister said she was going to pick me up around 1pm to go shopping, but it's 1:30pm and she still has not come **already / yet**. I wonder where she is.
3. I wanted to go to the party, but it looks like it **already / yet** finished. Next time I will have to leave my house sooner!
4. Did you send your party invitations **already / yet**? Your friends need to know the information so they can plan if they can come or not.
5. Mom hasn't put out the food **already / yet**. Everyone is going to be really hungry soon, so she better hurry!
6. Wow! You finished decorating the room **already / yet!** *That* was quick! I wish I came earlier so I could have helped.
7. Please choose the music **already / yet**. I want to sing and dance and you're taking a long time to decide!
8. Can we serve the drinks **already / yet**? It's really hot and people need something cold to drink!

2° Put the words in the correct order to make a sentence or a question.

1. The girls / just / finished / have / blowing up the balloons

2. a chocolate cake / Dad / baked / just / has

3. just / you / your invitation / received / ? / Have

4. decorating the room / started / have / we / just

5. ? / put out the food / have / just / you
