III- Reading

A-(19-22)Read the passage carefully decide the statements are True or False .

If you live in an earthquake zone, you should take some time to look around your house. Place heavy books on the bottom shelf of your bookshelves. Block the rollers on your fridge and washing machine to prevent them from moving. Put hanging potted plants in plastic containers. Check the mirrors in your bathroom and bedroom. Make sure they can't move. Don't put your bed next to a window.

Planning where you are going to be during an earthquake is very important. The first thing to remember is to stay inside. Then you should sit under a strong table or doorway, or stand in the corner of a room.
