III- Reading

A- (19-22) Read the passage carefully decide the statements are True or False .

One of the strongest earthquakes in this century happened in Alaska in 1964 , at about 6.00 in the evening . When the earthquake struck , many families were sitting down to eat dinner . People in the city suddenly found themselves in the dark . because most the lights in the city went out when the earthquake occurred . Many people died instantly when tall buildings collapsed and sent tons of brick and concrete crashing the streets .

Interestingly , animals often help people to predict earthquakes shortly before they happen . According some studies , some animals seem to know a great deal more than human about when an earthquake will occur .
