- D) 5 – 4

Look at the survey and answer the question.

Our teacher Frank did a survey in our class about our communication preferences among our classmates. Here are the results;

- ✓ Twelve students communicate by making phone calls
- ✓ Eight students contact via e-mails
- ✓ Sixteen students keep in touch with social networking sites
- ✓ Four students like talking face to face

7. According to the results of the survey which is NOT CORRECT?

- A) Forty students joined the survey.
- B) Forty percent of the class uses Facebook or Instagram.
- C) Twenty percent of the students like communicating in person
- D) Thirty percent of the students use their phone to make a call

Suppose that your aunt phoned your mum and your mum is busy working in the kitchen. You answer the phone instead of your mother because her hands are dirty.

8. What do you say to your aunt?

- A) I'll get back to you in an hour.
- B) Hang on a minute. I will get her.
- C) Just a second. I will put you through.
- D) I'm sorry she isn't free now but she will ring you back soon.

Read the text and answer the question.

Kate: How do you keep in touch with your friends?

Mark: I usually use social networking sites.

Kate: For example?

Mark: My favourite application is Whatsapp. I like it because it's cheaper than mobile calls and messages.

Kate:?

Mark: Well, it's totally free when you have a wi-fi connection.

9. Which of the following completes the dialogue?

- A) How often do you use it
- B) What do you mean
