

## Unit 19 - Kata semacam ( Ms 119 )

Drag dan Drop kata semacam ke tempat kosong yang sesuai.

|                    |                       |
|--------------------|-----------------------|
| rajin macam semut  | pantas macam kilat    |
| tinggi macam galah | besar macam gajah     |
| kurus macam lidi   | cantik macam bidadari |

|                                                                                     |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|   |   |
|                                                                                     |                                                                                      |
|  |  |
|                                                                                     |                                                                                      |
|  |  |
|                                                                                     |                                                                                      |
