A- READ CAREFULLY

Hi! I'm Jack. I live in London with my family. My favourite day is Saturday. From Monday to Friday I wake up at seven because I get dressed and eat breakfast before school. But Saturday is different. On Saturday I wake up at quarter past nine, brush my teeth and I get dressed. I always put on my sport shoes. Then I have a good breakfast: fruit, milk and cereal.

After breakfast I go to the club to play football. I go by bike with my friend Mia. Our football match starts at ten and finishes at eleven. At eleven fifteen we have a shower at the club, then we go home and have lunch.

In the afternoon I go to the park with my mum and Rex, my dog. Rex plays with bones and I run a lot. When I'm hungry, it's time to go home, wash my dirty hands and eat cake for tea. My mum always cooks a chocolate cake on Saturdays.

At quarter to seven I watch my favourite TV programme, "Silly Games". I can't watch TV on weekdays but on Saturdays I have a very special evening. I love Saturdays!
