Section L2 (20 marks)

Listen to the passage and write the missing words in the spaces given. Remember that in three of the spaces there are *two* missing words.

Marks  
Awarded

Space Holidays

When you are older, what <sup>(example)</sup> type of holiday will you have? Would you (1) \_\_\_\_\_ space? A Japanese company says a hotel in space will be built in ten years and it will be (2) \_\_\_\_\_ than the International Space Station. Tourists will be able to have the (3) \_\_\_\_\_ and wonderful holiday of their lives! Activities will include space walking and zero gravity tennis.

There are some (4) \_\_\_\_\_. Firstly, special space ships need to be built which can carry tourists to the hotel. Tomorrow's shuttles must (5) \_\_\_\_\_ and land on their own, probably like aeroplanes. Also, how will normal people (6) \_\_\_\_\_ in space? These days, astronauts spend (7) \_\_\_\_\_ training before going into space. Tourists would have to be very (8) \_\_\_\_\_ if they went on this kind of holiday.

These holidays will cost a lot - about \$200,000 for three days! The company thinks that there are (9) \_\_\_\_\_ people who can pay the price. Other countries such as the USA and China have been working on plans to build hotels on the moon. These will be even more (10) \_\_\_\_\_. However, who could say no to a holiday on the moon?
