Back in the days of old
when knights were bold
who with a sword or lance
in armour sought romance.

It was the age of chivalry
long ago in man's history
when to fight for a righteous cause
one did gain considerable applause.

It was mainly for show, love and glory
they deemed themselves being worthy
to capture the heart of some fair maiden
which was the most desired prize laden.

Oh, they would strike heavy blows
on all of their opponents and foes
in a one to one combat defying death
as crowds watched with abated breath.

Yes, it was far back in those days of yore
that courage and strength came to the fore
where there was this life and death struggle;
such issues at hand the knights would juggle.
