Hi Sam,
It's the school holidays and I'm having a great time. The weather's good in London. It's usually wet and windy, but it isn't today. The sun is shining and it's warm. What's the weather like in Glasgow? Is it raining? What do I do every day? Well, I usually wake up late. Then I have a shower and make my bed. After breakfast, I see my friends. We go to the park in the morning. Then we catch the bus and go to town. We usually go shopping or to the cinema, and we sometimes go to a café and have pizza. What about you? How often do you see your friends?
