HOW A CONICAL HAT IS MADE?

Nowadays, people in Viet Nam use hats (1) _____ from cloth or plastic but many people still prefer (2) _____ hats made from leaves. They say it's more comfortable and cooler to wear conical hats. A (3) _____ hat looks simple but the hat makers have to follow 15 stages, from going to the forests to collect special leaves, choosing the quality ones, drying and ironing them to make frames. Conical hats always have two layers of leaves. Hat makers must be very skillful to make the two layers very thin. In Hue, the artisans make special conical hats by adding poems or pictures of Hue between the two layers to create famous Bai tho or poetic conical hats. Making conical hats now represents one of the (4) _____ crafts of Viet Nam.

II. Read the passage and then answer the questions below. (1.5ms)

Teenagers today live in a very competitive world. It is more important than ever to succeed at school if you hope to have a chance in the job market afterwards. It's no wonder that many young people worry about letting down their parents, their peers and themselves. To try to please everyone, they take on too many tasks until it becomes harder and harder to balance homework assignments, parties, sports activities and friends. The result is that young people suffer from stress. There are different ways of dealing with stress. Everyone knows that caffeine, in the form of coffee or soft drinks, keeps you awake and alert. But caffeine is a drug which can become addictive. In the end, like other drugs, caffeine only leads to more stress. There are better ways to deal with stress: physical exercise is a good release for stress, because it increases certain chemicals in the brain which calm you down. You have to get enough sleep to avoid stress and to stay healthy and full of energy.

1. How do teenagers today live in a world?

2. Why is it more important for them to succeed at school?

3. What do many young people worry about?

4. What is the result of trying to please everyone?
