Dear Anastasia,

My name is Lucia and I am a student of El Carmen school. I wanted to share with you information about my favourite festivity. It is called "El Jaleo"

El Jaleo takes place in Menorca during the summer, and it's celebrated in all of Menorca's towns. The festivities last three days in every town and during one of those days horses are in the streets. There are some more activities during those days like dinner with the neighbours, foam parties and much more.

I will like to know what your favourite festivity is. Would you like to visit Menorca and see the horses? How is you school like? I hope to hear from you soon.

Regards,
Lucia
