

Wrong

I was with the wrong sign
In the wrong
With the wrong ascendancy
I the wrong road
That led to the wrong tendencies
I was in the wrong at the wrong time
For the wrong and the wrong rhyme
On the wrong of the wrong week
I used the wrong method with the wrong technique
There's wrong with me chemically
..... wrong with me inherently
The wrong in the wrong genes
I reached the wrong ends by the wrong means
It was the wrong
In the wrong hands
With the wrong theory for the wrong
The wrong lies, on the wrong vibes
The wrong with the wrong replies

I was marching to the wrong drum
With the wrong scum
Pissing out the wrong
Using all the wrong lines
And the wrong signs
With the wrong
I was on the wrong of the wrong book
With the wrong rendition of the wrong hook
Made the wrong move, every wrong night
With the wrong tune played 'til it sounded, yeah
Wrong
Wrong
Too long
